Declarations

Please read the following four declarations carefully.

Declaration One – MInTFM PERSON SPECIFICATION

Statement

I confirm that I have read and understand the entry criteria as listed in the person specification of the MInTFM for Family Medicine Trainee 2019. I declare that my present experience makes me eligible to commence training with respect to the entry criteria listed in Malaysia. This is a mandatory tick box section.

Declaration Two – POLICE Statement

I declare that I have not at any time been convicted (i.e. probation, fine, sentence, penalty) of a criminal offence (e.g. assault, public order, sexual assault) in Malaysia and/or in any other jurisdiction nor are there any charges relating to criminal offences outstanding or pending. I have never been the subject of a Caution or Bound over order. I accept that making a false or misleading declaration may render any offer of a training position and associated employment offers as null and void.

If you answered 'False' to the above statement you will be required to provide the following information:

Date of Investigation - Country
Details - Court Outcome

(PDF files only)

Declaration Three – TRAINING ORGANISATION / SCHEME

Statement

I declare that I currently am not nor was I the subject of an investigation by any professional medical training body or its equivalent in Malaysia and/or in any other jurisdiction. I accept that making a false or misleading declaration may render any offer of a training position and associated employment offers as null and void.

If you answered 'False' to the above statement you will be required to provide the following information.

I have not been suspended from registration, nor had any restrictions on practice nor had my registration or license cancelled or revoked by any medical registration or licensing body or authority in any jurisdiction nor am I the subject or any current suspension or any restrictions on practice. I accept that making a false or misleading declaration may render any offer of a training position and associated employment offers as null and void.

If you answered 'False' to the above statement you will be required to provide the following information.

Investigation date - Country
Medical Council / Licensing Body - Details
Status/outcome
(PDF files only)

Scheme Selection

Prior to entering this step the applicant should have given thought to their preference for Training Schemes. Applicants are required to select only training schemes they would accept if a place was offered. The MInTFM is starting with two schemes: one in Kuala Lumpur area and the other in Penang (serving the Northern Corridor). All 4 years of training will be in the area of the scheme (both hospital and primary care clinics). Preference for a scheme will be given to those scoring highest on the application and interview.

Application Summary

Please check that you have uploaded all relevant documents and that they are legible. A checklist of possible documents to upload is given, but it is your responsibility to ensure

that all necessary documentation is uploaded. Marks will be awarded for fully completed applications with all required supporting document in legible format by closing date.

Please review the details of your application before you click on the 'Finalise Submission' button.

Please note you will not be able to amend your application form once it has been submitted.

Applicants are advised to print a copy of their application form and supporting documentation for their own reference as the MInTFM will not be in a position to provide this information.
