

JOB DESCRIPTION (JD)

DEPARTMENT	MEDICINE DEPARTMENT
POSITION	LECTURER/SENIOR LECTURER IN MEDICINE
REPORTING TO	HEAD OF DEPARTMENT OF MEDICINE/DEAN

POSITION SUMMARY:

To carry out clinical teaching, administration and research, within the Department of Medicine.

DUTIES AND RESPONSIBILITIES:

The employee will at all times, observe and carry out faithfully and conscientiously all duties and responsibilities that are assigned by the superior, and observe all discretion with regard to the information acquired during the service employment with the Company, and thereafter if the employee leaves its service.

Job Responsibilities:

1. To undertake the teaching of Medicine and other related subjects to students of RUMC, at undergraduate and postgraduate level in areas allocated by the Head of Department and reviewed from time to time by the Head of Department.
2. To assist in the running of existing and future academic programmes for undergraduate, postgraduate, and research at RUMC under the general direction of the Head of the Department.
3. To supervise or assist with the supervision of students in all academic matters and provide pastoral care and support to students.
4. To contribute to the development, planning, and implementation of a high-quality curriculum.
5. To assist in the development of learning materials, preparing schemes of work, and maintaining records to monitor student progress, achievement, and attendance.
6. To participate in the development, administration, and marking of examinations and other assessments.
7. To participate in the administration of the department's programmes of study and other activities as requested.
8. To carry out research and produce publications, or other research outputs and participate in departmental and faculty seminars aimed at sharing research outcomes and building interdisciplinary collaboration within and outside the department.
9. To maintain own continuing professional development.
10. To discharge any other duties, responsibilities, and assignments for the benefit of RUMC from time to time not specifically mentioned here as directed by the Management.
